

Volunteer Work Log

Name:

Site Address:

Date:

Wildfire Adapted Partnership (WAP) relies on local, state and federal grant funds to help support this Defensible Space Cost Share Program. In addition to documenting payment to the contractor, WAP appreciates documentation of the volunteer time that you and/or your family, friends and neighbors spend working on this project. Your volunteer hours you log are used for WAP grant reporting purposes and help us to continue providing this program.

Date	Work Description	Hours
	Time spent coordinating and overseeing my project (initial site visit, filling out grant application, obtaining contractor bids and/or overseeing contractors while on-site).	
	Time spent pruning trees or breaking up continuous oak, brush to reduce ladder fuels	
	Time spent clearing flammable debris from my roof and/or gutters	
	Time/money spent chipping, hauling or disposing of slash	
	Time spent creating defensible space	
	<i>Other time spent- Please describe:</i>	
	Total Hours
